

We have good news for You, You have become the lucky holder of a voucher for one of the SRNA workshops!

All you have to do is choose a date, which you can find on our e-shop www.srna.cz in the WORKSHOPS section. We add dates gradually, always about a month in advance, but as soon as the end of the validity of the vouchers approaches, places start filling up faster than usual, so don't hesitate to sign up.

After adding the date, you will find a discount box in the basket, please enter the number you will find on your voucher there. The discount will be applied and you can complete the order.

Then there are those beautiful moments of enjoyment before you can finally taste the magic of glassmaking.

Please remember to keep an eye on the validity of your voucher so you don't miss it.

We are looking forward to you!

SRNA team
